Foreword ... **iv**

Introduction ... **v**

1 Scope ... **1**

2 Normative references ... **1**

3 Terms and definitions ... **1**

4 General requirements ... **3**

4.1 General ... 3

4.2 Legal and ethical ... 4

4.2.1 General ... 4

4.2.2 Animal welfare ... 4

4.3 Health and safety ... 4

4.3.1 General ... 4

4.3.2 Personnel safety ... 5

4.3.3 Chemical safety ... 5

5 Reception ... **5**

6 Preparation and cryopreservation ... **5**

7 Storage ... **6**

8 Distribution ... **6**

9 Management of information and data ... **7**

Annex A (informative) **Examples of evidence of compliance** ... **8**

Annex B (informative) **Potential elements to consider for storage processes** ... **9**

Annex C (informative) **Germplasm quality control** ... **10**

Bibliography ... **11**
