## Stored cereal grains and pulses - Guidance on the detection of infestation by live invertebrates by trapping

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Terms and definitions .....	1
3	Principle .....	2
4	General .....	2
5	Trap types .....	3
6	Method of trapping .....	3
6.1	Trapping in bulk grain .....	3
6.2	Trapping in sack stores .....	4
7	Record of findings .....	6
8	Interpretation of findings .....	7
Annex A (informative) Other methods for the detection of live invertebrates in stored grain .....		8
Annex B (informative) Examples of trap types for detecting live invertebrate infestation in stored grain .....		9
Annex C (informative) Illustrations of examples of the different trap types used for the detection of live insects and mites in stored grain .....		10
Annex D (informative) Examples of treatment methods for grains infested by invertebrate pests .....		13
Bibliography .....		14
