|--------------------|---|-------------|
| Foreword .....     |   | 3           |
| 1                  | Scope .....                                 | 4           |
| 2                  | Terms and definitions .....                 | 4           |
| 3                  | Principle .....                             | 4           |
| 4                  | Reagents .....                              | 4           |
| 5                  | Apparatus .....                             | 5           |
| 6                  | Sampling .....                              | 5           |
| 7                  | Preparation of test sample .....            | 5           |
| 8                  | Procedure .....                             | 5           |
| 8.1                | Test portion .....                          | 5           |
| 8.2                | Determination .....                         | 6           |
| 8.3                | Blank test .....                            | 6           |
| 9                  | Calculation and expression of results ..... | 6           |
| 9.1                | Calculation .....                           | 6           |
| 9.2                | Expression of results .....                 | 6           |
| 10                 | Precision .....                             | 7           |
| 10.1               | Interlaboratory test .....                  | 7           |
| 10.2               | Repeatability .....                         | 7           |
| 10.3               | Reproducibility .....                       | 7           |
| 11                 | Test report .....                           | 7           |
| Bibliography ..... |   | 8           |
