## Acoustics - Soundscape - Part 2: Data collection and reporting requirements

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1 Scope .....		1
2 Normative references .....		1
3 Terms and definitions .....		1
4 Descriptors and indicators .....		2
4.1 General .....		2
4.2 Acoustic and psychoacoustic indicators .....		3
5 Data collection .....		4
5.1 General .....		4
5.2 Soundwalk .....		4
5.3 Questionnaire .....		4
5.4 Guided interview .....		5
5.5 Sound source taxonomy .....		5
5.6 Binaural measurements .....		5
6 Reporting requirements .....		6
Annex A (normative) Minimum reporting requirements .....		7
Annex B (informative) Psychoacoustic indicators .....		9
Annex C (informative) Data collection methods .....		11
Annex D (normative) Binaural measurement methods .....		24
Annex E (informative) Good practice in reporting a soundscape study .....		27
Bibliography .....		29
