Foreword 3

Introduction 4

1 Scope 4

2 Normative references 4

3 Terms and definitions 5

4 Machine family description 7

5 Sound power level determination 7
5.1 Basic international standards to be used 7
5.2 Measurement procedure 7

6 Emission sound pressure level determination 8
6.1 Basic international standards to be used 8
6.2 Selection of relevant work stations 8
6.3 Measurement procedure 8

7 Installation and mounting conditions 8

8 Operating conditions 9

9 Measurement uncertainties 9

10 Information to be recorded 9

11 Information to be reported 9

12 Declaration and verification of noise emission values 10

Annex A (informative) Examples of a gas-fired heat treatment furnace (continuous type) 12

Annex B (informative) An example of information to be reported; Noise Test Form 13

Annex ZA (informative) !Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC" 15

Annex ZB (informative) !Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC" 16

!Bibliography" 17
