Foreword 3

Introduction 4

1 Scope 4

2 Normative references 5

3 Safety requirements and/or measures 5
3.1 General 5
3.2 Protection whilst handling and during storage 5
3.3 Protection against hazards associated with moving power transmission parts 6
3.4 Protection against unintentional contact with the cutting tools 6
3.5 Protection against ejection of vegetable waste 8
3.6 Protection against breakage of the cutting tools 8
3.7 Balancing of the cutting tools 8
3.8 Locking of lateral movement 8

4 Verification of safety requirements and/or measures 8
4.1 General 8
4.2 Impact test 8
4.2.1 Test procedure 8
4.2.2 Test acceptance 9

5 Information for use 10
5.1 Instruction handbook 10
5.2 Marking 10

Annex A (normative) List of hazards 12

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC 17

Annex ZB (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC 18
