

DIN EN 706:2009-12 (E)

Agricultural machinery - Vine shoot tipping machines - Safety (includes Amendment A1:2009)

Contents	Page
Foreword	3
Introduction	4
1 Scope	4
2 Normative references	5
3 Safety requirements and/or measures	5
3.1 General	5
3.2 Protection whilst handling and during storage	5
3.3 Protection against hazards associated with moving power transmission parts	6
3.4 Protection against unintentional contact with the cutting tools	6
3.5 Protection against ejection of vegetable waste	8
3.6 Protection against breakage of the cutting tools	8
3.7 Balancing of the cutting tools	8
3.8 Locking of lateral movement	8
4 Verification of safety requirements and/or measures	8
4.1 General	8
4.2 Impact test	8
4.2.1 Test procedure	8
4.2.2 Test acceptance	9
5 Information for use	10
5.1 Instruction handbook	10
5.2 Marking	10
Annex A (normative) List of hazards	12
Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC	17
Annex ZB (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC	18
