Foreword .....		3
Introduction .....		4
1	Scope .....	4
2	Normative references .....	4
3	Terms and definitions .....	5
4	List of significant hazards .....	5
5	Safety requirements and/or measures .....	7
5.1	General .....	7
5.2	Power transmission elements .....	7
5.3	Working platforms and means of access .....	7
5.4	Inspection holes .....	7
5.5	Electrical equipment .....	7
5.6	Hydraulic and pneumatic equipment .....	7
5.7	Level control devices .....	7
5.8	Lighting .....	8
5.9	Noise .....	8
5.10	Equipment and measures for maintenance and cleaning .....	8
5.11	Powered gate valves .....	8
5.12	Emergency stop devices and emergency measures .....	9
5.13	Explosion protection .....	9
6	Verification of safety requirements and/or measures .....	9
7	Information for use .....	9
Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC .....		11
Annex ZB (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC .....		12
