Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 6

4 Pump family and pump configuration 6

5 Sound power level determination 7

6 Emission sound pressure level determination 14

7 Installation and mounting conditions 15

8 Operating conditions during noise measurement 16

9 Information to be recorded 16

10 Declaration and verification of noise emission values 17

Annex A (normative) Pump alone -- Measurement surface 18

Annex B (normative) Pump units -- Microphone positions for sound pressure level measurement on the measurement surface for different pump types and sizes 19

Annex ZA (normative) Normative references to international publications with their following European publications 26

Annex ZB (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC 28

Annex ZC (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC 29
