Foreword.....	3
Introduction	4
1 Scope	5
2 Normative references	6
3 Terms and definitions.....	7
3.1 Products	7
3.2 Equipment	8
4 List of significant hazards	11
5 A1 Safety requirements and/or protective measures A1	26
5.1 General.....	26
5.2 Layout - Circulation - Means of access	27
5.3 Control of the machines, modes of operation	27
5.4 Safety of machines and working equipment - General.....	27
5.5 Noise and vibration.....	28
5.6 Additional requirements for specific machines and equipment.....	28
5.7 Summary of the safety measures given in relation to the significant hazards listed in clause 4.3.4	28
6 A1 Verification of safety requirements and/or protective measures A1	65
7 Information for use – Instruction handbook	66
7.1 Introduction	66
7.2 General information	66
7.3 Minimum recommendations for use of the machines	67
8 Marking	68
Annex A (informative) Pre-stressing bed.....	69
Annex B (informative) Bed sweeper, vacuum cleaner, oiler, wire-guide machine	74
Annex C (informative) Bed layout machine	76
Annex D (informative) Strand pushing/pulling machine	78
Annex E (informative) Spinner, extruder, vibrodistributor.....	80
Annex F (informative) Tarpaulin paying out and winding in machine	82
Annex G (informative) Sawing machine.....	84
Annex H (informative) Trilingual list of terms relative to pre-stressing manufacturing products and equipment.....	86
Annex ZA (informative) A1 Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC A1	88
