| <b>Contents</b>                                                                                                                        |  | <b>Page</b> |
|----------------------------------------------------------------------------------------------------------------------------------------|--|-------------|
| Foreword .....                                                                                                                         |  | 3           |
| Introduction .....                                                                                                                     |  | 4           |
| 1 Scope .....                                                                                                                          |  | 5           |
| 2 Normative references .....                                                                                                           |  | 5           |
| 3 Terms and definitions .....                                                                                                          |  | 6           |
| 4 List of hazards .....                                                                                                                |  | 20          |
| 5 Safety requirements and/or safety measures .....                                                                                     |  | 20          |
| 6 Verification of safety requirements and/or measures .....                                                                            |  | 24          |
| 7 Information for use .....                                                                                                            |  | 26          |
| Annex A (normative) List of hazards according to EN ISO 12100-1 in comparison with annex I of the "Machinery Directive" .....          |  | 31          |
| Annex B (informative) Bibliography .....                                                                                               |  | 33          |
| Annex C (informative) Fire or explosion hazard .....                                                                                   |  | 34          |
| Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of the EU Directive 2006/42/EC ..... |  | 35          |
