Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Safety requirements and/or protective measures 2
4.1 Structural calculations 2
4.2 Chassis 2
4.3 Moment and load sensing 3
4.4 Work platform 3
4.5 Controls 4
4.6 Boom-lift hydraulic systems 5
4.7 Marking 5

5 Verification of safety requirements and/or measures 5

Annex A (informative) List of hazards 6
