

# DIN EN 16246:2013-04 (E)

## Agricultural machinery - Backhoes - Safety

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
Introduction .....		4
1	Scope .....	5
2	Normative references .....	5
3	Terms and definitions .....	6
4	List of significant hazards .....	6
5	Safety requirements and/or measures .....	12
5.1	General .....	12
5.2	Attachment to tractor - prevention of uncontrolled movement .....	12
5.3	Controls .....	12
5.3.1	Clearance .....	12
5.3.2	Configuration, functions and marking of the controls .....	12
5.4	Operator's work station .....	14
5.5	Access to the operator's work station .....	15
5.6	Electrical equipment .....	16
5.7	Hydraulics .....	16
5.7.1	General .....	16
5.7.2	Pump .....	16
5.7.3	Fluid reservoir .....	16
5.7.4	Pressure limit valves .....	16
5.7.5	Hoses and fittings .....	17
5.7.6	Dimensioning of hydraulic cylinders .....	17
5.7.7	Control of movements .....	17
5.8	Stability of the tractor backhoe combination .....	17
5.8.1	General .....	17
5.8.2	Outriggers .....	17
6	Maintenance and repair .....	18
7	Verification of the safety requirements or protective measures .....	18
8	Information for use .....	18
8.1	Operator's manual .....	18
8.2	Marking .....	19
Annex A (informative) Examples of a backhoe attachment and safety locking device .....		21
Annex B (informative) Stability of the tractor/backhoe loader combination .....		24
B.1	Effects on the stability .....	24
B.2	Stability calculations .....	24
B.2.1	Transverse stability .....	24
B.2.2	Longitudinal stability .....	26
Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC .....		28
Bibliography .....		29
