Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Integral connectors for plug-in proximity switches 2

5 Graphical symbols 2

6 Electrical contacts (pin allocation) 2
6.1 Identification 2
6.2 Pin allocation for valves with a single solenoid 3
6.3 Pin allocation for valves with double solenoids and one connector 3
6.4 Pin allocation for valves with double solenoids and two connectors 3
