ISO 21628:2020 (E)

Gardening machinery — Powered material-collecting systems — Safety

Contents

Foreword

Introduction

1 Scope

2 Normative references

3 Terms and definitions

4 Safety requirements

4.1 Fundamental principles, design guidance
4.2 Access to the blower
4.2.1 Suction (inlet) side
4.2.2 Discharge chute opening
4.3 Direction of airflow
4.4 Hopper discharge
4.5 Stability
4.6 Clearance zone of mounted machines
4.7 Hydraulics

5 Information for use

5.1 Operator's manual
5.2 Safety and instructional signs
