Hydraulic fluid power - Interpolation method for particle count and filter test data

Contents		Page
Foreword		iv
Introduction		v
1 Scope		1
2 Normative references		1
3 Terms and definitions		1
4 Background		1
5 Interpolation of particle concentration and Beta Ratio data		3
6 Example of interpolation of particle concentration data		4
7 Example of interpolation of filter Beta Ratio and removal efficiency data		6
8 Summary		10
