Mining - Mining methods - Classification and specification

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	General	1
5	Classification of mining method based on depth of deposit	2
5.1	Surface mining methods	2
5.1.1	Description	2
5.1.2	Evaluation of surface deposits	2
5.1.3	Steps of surface mining operation	3
5.1.4	Strength and consolidate ore or rock -based mining methods	4
5.1.5	Unconsolidated and permeable ore or rock -based mining methods	12
5.2	Underground mining methods	23
5.2.1	Strong to moderate competent ore and rock based mining methods	23
5.2.2	Moderate to weak incompetent ore and rock -based mining methods	32
5.2.3	Moderate to weak, cavable-based mining methods	36
