

DIN EN 12215:2005-02 (E)

Coating plants - Spray booths for application of organic liquid coating materials - Safety requirements

Contents

	Page
Foreword.....	3
Introduction	3
1 Scope	4
2 Normative references	5
3 Terms and definitions	7
4 List of significant hazards	10
4.1 General.....	10
4.2 Mechanical hazards	10
4.3 Electrical hazards	11
4.4 Thermal hazards	11
4.5 Hazards generated by noise	11
4.6 Hazards resulting from dangerous substances	11
4.7 Fire and explosion hazards	12
4.8 Hazards caused by failure of energy supply	13
4.9 Hazards generated by unhealthy postures	13
5 Safety requirements and/or measures	13
5.1 General.....	13
5.2 Mechanical safety requirements	13
5.3 Electrical safety requirements.....	15
5.4 Safety requirements and measures against thermal hazards	15
5.5 Safety requirements and measures against noise.....	16
5.6 Safety requirements against dangerous substances	16
5.7 Safety requirements and measures against fire and explosion	19
5.8 Safety requirements and measures against failure of energy supply	21
5.9 Safety requirements and measures against unhealthy postures	21
6 Verification of the safety requirements and/or measures	22
6.1 General.....	22
6.2 Verification of the mechanical safety requirements	22
6.3 Verification of the electrical safety requirements	22
6.4 Verification of the safety requirements and measures against thermal hazards	22
6.5 Verification of the safety requirements and measures against noise.....	22
6.6 Verification of the safety requirements against dangerous substances	22
6.7 Verification of the safety requirements and measures against fire and explosion	23
6.8 Verification of the safety requirements and measures against failure of energy supply	24
6.9 Verification of the safety requirements and measures against unhealthy postures.....	24
7 Information for use	25
7.1 General.....	25
7.2 Instruction handbook	25
7.3 Marking	27
Annex A (normative) Diagrams relative to hazardous zones of potentially explosive atmosphere	28
Annex B (normative) Determination of concentration of flammable solvents in terms of <i>LEL</i>	31
Annex C (normative) Noise test code	34
Annex D (normative) Measurement of air velocities	38
Annex E (informative) Classification of material's reaction to the fire - National standards.....	43
Annex F (informative) Reference to national exposure limit values	44
Annex G (informative) Diagrams relative to spray booth classification	45
Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC	46
Bibliography	47
