## Compressed air - Part 5: Test methods of oil vapour and organic solvent content

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	2
4	Oil vapour classes .....	2
5	Test methods .....	2
6	Sampling .....	2
7	Measurement .....	3
8	Evaluation of test results .....	4
9	Uncertainty .....	4
10	Test report .....	5
Annex A (normative) Test procedures .....		7
Annex B (informative) Dalton's law of partial pressure .....		10
Bibliography .....		11
