Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Descriptions of coating and/or mixing plants 4
4.1 Functions of the plant 4
4.2 Components of asphalt mixing plants 5
4.3 Additional equipment 6
4.4 Mastic asphalt production plants 6
4.5 Control of plant operation 6
4.6 Automatic function controls 7
4.7 Control station 7

5 Output of an asphalt mixing plant 8

6 Commercial specifications 9
6.1 Technical characteristics of the components of asphalt mixing plant 9
6.2 Global characteristics for plants to be specified by the manufacturer 15

Annex A (informative) Examples of plants and sub-assemblies 17
