DIN EN 13885:2006-02 (E)

Food processing machinery - Clipping machines - Safety and hygiene requirements

Contents

Page

Foreword 4

Introduction 5

1 Scope 6

2 Normative references 8

3 Terms and definitions 9

4 List of significant hazards 11

5 Safety and hygiene requirements and/or protective measures 16

6 Verification of safety and hygiene requirements and/or protective measures 29

7 Information for use 30

Annex A (normative) Noise test code for clipping machines (grade 2) 33

Annex B (normative) Design principles to ensure cleanability of clipping machines 35

Annex C (normative) Common hazards for food processing machines and reduction requirements applicable to clipping machines 40

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC 42
