

DIN EN 14673:2007-04 (E)

Safety of machinery - Safety requirements for hydraulically powered open die hot forging presses for the forging of steel and non-ferrous metals

Contents	Page
Foreword	5
Introduction	6
1 Scope	7
2 Normative references	7
3 Terms and definitions	10
4 List of significant hazards	11
5 Safety requirements and/or measures	12
5.1 General	12
5.1.1 Introduction	12
5.1.2 Site inspections	12
5.1.3 Structural assembly	12
5.1.4 Safety layout	12
5.1.5 Safety devices	13
5.1.6 Railings	13
5.1.7 Discharge of fluids	13
5.1.8 Personal protective equipment (PPE)	13
5.1.9 Warning devices and safety signs	13
5.1.10 Access	13
5.1.11 Electrical equipment	14
5.1.12 Safety control system	14
5.1.13 Guards	14
5.1.14 Surface temperatures	14
5.1.15 Operators' visibility	14
5.1.16 Hydraulic and pneumatic systems	15
5.1.17 Ergonomics	15
5.1.18 Manipulators	15
5.1.19 Pulpit	15
5.1.20 Fire resistance	15
5.1.21 Fire extinguisher	15
5.2 List of significant hazards, hazardous situations, safety requirements and/or measures ..	15
5.2.1 General requirements	17
5.2.2 Process requirements	19
5.3 Special safety requirements and/or measures	20
5.3.1 General	20
5.3.2 Accessible rotating/moving parts	20
5.3.3 Hold-to-run control device	21
5.3.4 Mechanical restraint devices	21
5.4 Noise reduction as a safety requirement	21
5.4.1 Noise reduction at source by design	21
5.4.2 Noise reduction by protective measures	21
5.4.3 Noise reduction by PPE	22
6 Verification of the safety requirements and/or measures	22
7 Information for use	22

7.1	General	22
7.2	Location and nature of information for use	22
7.3	Safety devices, warning signs and labels	22
7.3.1	Safety devices	22
7.3.2	Warning signs and labels	22
7.4	Marking	22
7.5	Information for use manual	23
7.5.1	General	23
7.5.2	Machine declaration	23
7.5.3	Instructions about transport and installation	23
7.5.4	Information about commissioning and de-commissioning	24
7.5.5	Instructions about operation, including significant hazards and their remedies	24
7.6	Maintenance manual	25
Annex A (normative) Safety requirements for hydraulic, pressure water and lubrication systems		26
A.1	Significant hazards	26
A.2	Safety requirements and/or measures	26
Annex B (normative) Safety requirements and/or measures for electrical equipment of hydraulically powered hot forging presses		32
B.1	General	32
B.2	Special requirements for controls	32
B.3	Special requirements for shut-down equipment	32
Annex C (normative) Noise test code		35
C.1	Introduction	35
C.2	Determination of sound power level	35
C.2.1	General method	35
C.2.2	Method for large machines/plants	36
C.3	Determination of emission sound pressure level at workstations	36
C.4	Measurement uncertainty	36
C.5	Operating conditions	36
C.6	Information to be recorded and reported	37
C.7	Declaration and verification of noise emission values	37
Annex D (informative) De-commissioning		40
Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC		41
Bibliography		42
