Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Principles 5

5 Test equipment 6
5.1 Temperature measuring equipment 6
5.2 Test cone 6

6 Test procedure 6
6.1 Determination of touchable surfaces 6
6.2 Determination of temperature of touchable surfaces 7
6.3 Determination of area for interrupted surfaces 7

7 Test acceptance 9

Annex A (informative) Flowchart for the determination of inadvertent accessibility of hot surfaces of machinery 10

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC, amended by Directive 98/79/EC 11
