DIN 6650-2:2006-09 (E)

Dispense systems for draught beverages - Part 2: Requirements for materials

Contents

Page

Foreword 2

1 Scope 3

2 Normative references 3

3 Terms and definitions 3

4 Requirements relating to materials 4
4.1 General requirements 4
4.1.1 General 4
4.1.2 Mechanical stresses 4
4.1.3 Thermal stresses 4
4.1.4 Chemical stresses 4
4.2 Additional requirements for materials 4
4.2.1 General 4
4.2.2 High polymers 4
4.2.3 Joining materials 4
4.2.4 Coatings 4

5 Testing and verification of suitability and quality characteristics 4

Annex A (informative) Examples of suitable materials 5
