DIN EN 13445-2/A1:2007-09 (E)

Unfired pressure vessels - Part 2: Materials

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Requirements for materials to be used for pressure-bearing parts 5
4.2 Special provisions 5
4.2.4 Design properties in the creep range 5
4.3.5 Welding consumables 5

Annex C (informative) Procedure for determination of the weld creep strength reduction factor (WCSRF) 6

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of the EU Directive 97/23/EC in Pressure Equipment 7
