DIN EN 18167:2026-12 (E)

Quality along the patient pathway for medical imaging in radiology services

Contents

Page

European foreword 4

Introduction 5

1 Scope 6

2 Normative references 6

3 Terms, definitions and abbreviations 6
3.1 Terms and definitions 6
3.2 Abbreviations 11

4 Background information 11
4.1 Which healthcare services are concerned? 11
4.2 Where are these healthcare services provided? 12
4.3 Who performs the procedures defined in this document? 12
4.4 Who can access the healthcare services concerned? 12
4.5 What are the characteristics of these healthcare services? 12
4.6 When do the rules outlined in this document apply? 13

5 Technical medical requirements 13
5.1 General 13
5.2 Human resources 13
5.2.1 General 13
5.2.2 Qualifications and training 14
5.2.3 Privileging 14
5.2.4 Arrival of new professionals 15
5.3 Premises and facilities 15
5.4 Imaging medical devices, healthcare products and other equipment 17
5.4.1 General 17
5.4.2 Imaging medical devices 17
5.4.3 Healthcare products (medical devices implantable or not, medicines including contrast agents) 18
5.4.4 Other equipment 18
5.5 Information systems and Data management 18
5.6 Measures in hygiene and infection prevention 19
5.6.1 Hygiene control 19
5.6.2 Management of infected and/or immune-compromised patients 20
5.6.3 Premises and imaging medical devices maintenance and cleaning 20
5.6.4 Other equipment maintenance and cleaning 20
5.6.5 Linen management 20
5.6.6 Waste and discharges control 21
5.7 Protection against ionizing radiation 21
5.7.1 General 21
5.7.2 Responsibilities 22
5.7.3 Education, training and privileging 22
5.7.4 Dose monitoring 22
5.7.5 Premises (controlled and supervised areas) 22
5.7.6 Categorization of professionals 22
5.7.7 Radiation protection for professionals, patients and the public 22

5.8 Safety with non-ionizing radiation ... 23
5.8.1 General ... 23
5.8.2 Responsibilities ... 24
5.8.3 MR safety, education, training and privileging ... 24
5.8.4 Premises, equipment and access control ... 24
5.8.5 Safety for professionals and patients ... 24
5.8.6 Specific actions in the event of an unexpected incident in MRI ... 25
5.9 Identity vigilance ... 25
5.10 Artificial Intelligence (AI) ... 25

6 Patient pathway for a MI examination ... 26
6.1 Imaging referral for MI examinations ... 26
6.2 Justification and approval of the imaging referral ... 26
6.3 Patient information and making an appointment ... 27
6.3.1 Patient information and informed consent ... 27
6.3.2 Making an appointment ... 27
6.4 Arrival of the patient in the MI organization ... 28
6.5 Conducting the MI examination ... 29
6.6 Medical accidents and incidents ... 30
6.7 Monitoring patients after an MI examination ... 30
6.8 MI examination report ... 31
6.8.1 General ... 31
6.8.2 Content of the report ... 31
6.8.3 Validation of the report ... 32
6.8.4 Delivery of, and access to the results ... 32
6.8.5 Revised reports ... 33
6.9 Specific organizational measures ... 33
6.9.1 Confidentiality ... 33
6.9.2 Participation in out-of-hours service/emergencies ... 33
6.9.3 Organization of relations with stakeholders throughout the MI examination ... 33
6.9.4 Interventional imaging ... 34
6.9.5 Teleradiology, remote primary reading and remote scanning ... 35
6.9.6 Introduction of new practices ... 38

7 The quality management and risk management system of the MI organization ... 38
7.1 General ... 38
7.2 Quality policy and objectives ... 39
7.3 Involvement of the senior management of the MI organization ... 40
7.4 Roles and responsibilities in the MI organization ... 41
7.5 Sustainability ... 41
7.6 Quality of life at work ... 42
7.7 Documentation and records ... 42
7.8 Measurement of indicators, assessment, and analysis ... 43
7.9 Risk management ... 44
7.9.1 General ... 44
7.9.2 Pre-emptive risk management: risk map and risk control ... 44
7.9.3 Hindsight risk management ... 44
7.10 Progress initiatives ... 45
7.11 Management reviews ... 46

8 Audits based on this document ... 46

Annex A (informative) List of the documented procedures for this document ... 48

Bibliography ... 51
