

DIN EN ISO 9015-2:2011-05 (E)

Destructive tests on welds in metallic materials - Hardness testing - Part 2: Microhardness testing of welded joints (ISO 9015-2:2003)

Contents		Page
Foreword		3
1	Scope	4
2	Normative references	4
3	Principle	4
4	Symbols and abbreviated terms	
5	Preparation of test specimens	5
6	Test procedure	5
6.1	Rows of indentations (R)	5
6.2	Individual indentations (E)	6
7	Test results	6
8	Test report	6
Annex A (informative) Example of a test report for rows of hardness tests (R) on welded joints		10
Annex B (informative) Example of a test report for individual hardness tests (E) on welded joints ...		11
