Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Requirements 5
4.1 Welding operator qualification 5
4.2 Essential variables and ranges of qualification 6
4.3 Qualification methods 7
4.4 Test welds 8
4.5 Test record 9

5 Certificate 9
5.1 General 9
5.2 Period of validity 10

Annex A (normative) Functional knowledge of the welding unit 11

Annex B (informative) Knowledge of welding technology 12

Annex C (informative) Qualification test certificate for FSW operators 14
