## Friction stir welding - Aluminium - Part 3: Qualification of welding operators (ISO 25239-3:2011)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
Introduction .....		4
1	Scope .....	5
2	Normative references .....	5
3	Terms and definitions .....	5
4	Requirements .....	5
4.1	Welding operator qualification .....	5
4.2	Essential variables and ranges of qualification .....	6
4.3	Qualification methods .....	7
4.4	Test welds .....	8
4.5	Test record .....	9
5	Certificate .....	9
5.1	General .....	9
5.2	Period of validity .....	10
Annex A (normative) Functional knowledge of the welding unit .....		11
Annex B (informative) Knowledge of welding technology .....		12
Annex C (informative) Qualification test certificate for FSW operators .....		14
Bibliography .....		16
