|-----------------------|--|-------------|
| Foreword .....        |  | iv          |
| 1                     | Scope .....  | 1           |
| 2                     | Normative references .....   | 1           |
| 3                     | Terms and definitions .....  | 2           |
| 4                     | Contract and design review .....   | 2           |
| 5                     | Sub-contracting .....  | 2           |
| 6                     | Welding personnel .....  | 2           |
| 6.1                   | General .....  | 2           |
| 6.2                   | Operators .....  | 2           |
| 6.3                   | Resistance weld setter .....   | 2           |
| 7                     | Equipment .....  | 2           |
| 8                     | Welding activities .....   | 2           |
| 9                     | Welding electrodes and auxiliaries .....   | 2           |
| 10                    | Weld-related inspection and testing .....  | 3           |
| 10.1                  | General .....  | 3           |
| 10.2                  | Personnel inspection and testing .....   | 3           |
| 11                    | Storage of parent material .....   | 3           |
| 12                    | Non-conformance and corrective action .....  | 3           |
| 13                    | Quality records .....  | 3           |
| Annex A (informative) | Summary comparison of welding quality requirements in this part of<br>Bibliography ..... | 5           |
