## Arc welding and cutting - Nonconsumable tungsten electrodes - Classification

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Classification .....	1
4	Symbols and requirements .....	1
4.1	Symbol for the product/process .....	1
4.2	Symbol for the chemical composition .....	1
5	Chemical analysis .....	1
6	Retests .....	1
7	Marking .....	2
8	Standard sizes and tolerances .....	3
8.1	Electrode diameters .....	3
8.2	Electrode lengths .....	4
9	Electrode shape and condition .....	5
9.1	Electrode straightness .....	5
9.2	Electrode finish .....	5
9.3	Electrode quality .....	5
10	Rounding procedure .....	5
11	Marking and packaging .....	5
11.1	Marking .....	5
11.2	Packaging .....	6
12	Classification examples .....	6
Annex A (informative) Conditions of use .....		7
