

ISO 2401:2018 (E)

Welding consumables — Covered electrodes — Determination of the efficiency, metal recovery and deposition coefficient

Contents

	Foreword
1	Scope
2	Normative references
3	Terms and definitions
4	Test plates
4.1	Number
4.2	Specification
5	Procedure
6	Calculation of efficiency and metal recovery
7	Rounding procedure
8	Calculation of deposition coefficient
