ISO 14923:2003-07 (E)

Thermal spraying - Characterization and testing of thermally sprayed coatings

Contents

Page

Foreword v

1 Scope 1

2 Normative references 1

3 Terms and definitions 3

4 Manufacturing the coating 4
4.1 General 4
4.2 Coating materials 4
4.3 Coating properties 5
4.4 Technological and physical properties 5

5 Tests 7
5.1 General 7
5.2 Non-destructive test methods 7
5.3 Destructive test methods 9
