## Destructive tests on welds in metallic materials - Macroscopic and microscopic examination of welds

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Abbreviations .....	2
5	Principle .....	2
6	Purpose of the test .....	2
7	Removal of test specimens .....	2
8	Test procedure .....	4
8.1	General .....	4
8.2	Test specimen preparation .....	4
8.3	Surface finish .....	4
8.4	Etching methods .....	4
8.5	Etchants .....	5
8.6	Safety measures .....	5
9	Examination .....	5
10	Designation .....	5
11	Test report .....	8
Annex A (informative)	Example of a test report .....	9
