## Resistance welding - Procedures for determining the weldability lobe for resistance spot, projection and seam welding

---

<b>Contents</b>		<b>Page</b>
page	Foreword .....	v
	Introduction .....	vi
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	2
4	Weldability lobe limits .....	2
5	Test equipment .....	3
5.1	Welding electrodes .....	3
5.2	Welding machine .....	4
6	Welding procedure .....	4
6.1	Spot or projection welding .....	4
6.2	Seam welding .....	5
7	Statistical evaluation of test results .....	6
8	Report of test results .....	6
	Bibliography .....	13
