ISO 14924 :2005-08 (E)

Thermal spraying_- Post-treatment and finishing of thermally sprayed coatings

Contents

page

Foreword ..... **v**

Introduction ..... **vi**

1 Scope **1**

2 Normative references **1**

3 Mechanical post treatment **1**

4 Chemical treatment **3**

5 Thermal treatment **4**

6 Health and safety **5**

Annex A (informative) **Some estimated values for chip cutting of thermally sprayed coatings** **6**

Annex B (informative) **Some estimated values for grinding of thermally sprayed coatings** **8**

Annex C (informative) **Information on abrasives** **10**
