

DIN EN 1395-7:2007-04 (E)

Thermal spraying - Acceptance inspection of thermal spraying equipment - Part 7: Powder feed systems

Contents		Page
Foreword		3
1	Scope	4
2	Normative references	4
3	Terms and definitions	4
4	Conditions of acceptance inspection	4
5	Procedure of acceptance inspection	5
6	Designation	5
7	Inspection report	5
Annex A (informative) Inspection report for a powder feed unit (initial test/retest)		6
A.1	Function test	6
A.2	Set value on the spraying equipment when testing the powder feed unit:	6
A.3	Mass flow inspection test	6
A.4	Powder de-mixing test - Particle size distribution	7
A.5	Measuring equipment capability	7
