DIN EN ISO 18594:2007-06 (E)

Resistance spot-, projection- and seam-welding - Method for determining the transition resistance on alumi nium and steel material (ISO 18594:2007)

Contents

Page

Foreword ... 3

1 **Scope** ... 4

2 **Terms and definitions** ... 4

3 **Basic principles** ... 5

4 **Measurement** ... 5

4.1 **Measuring set-up** ... 5

4.2 **Measurement procedure** ... 8

5 **Test equipment** ... 9

6 **Formulae and abbreviations for calculating the transition resistance** ... 10

7 **Test report** ... 11

Annex A (informative) **Test report** ... 12

Bibliography ... 14
