

# DIN EN ISO 18594:2007-06 (E)

## Resistance spot-, projection- and seam-welding - Method for determining the transition resistance on aluminium and steel material (ISO 18594:2007)

---

<b>Contents</b>		Page
Foreword.....		3
1 Scope .....		4
2 Terms and definitions.....		4
3 Basic principles .....		5
4 Measurement.....		5
4.1 Measuring set-up .....		5
4.2 Measurement procedure .....		8
5 Test equipment .....		9
6 Formulae and abbreviations for calculating the transition resistance .....		10
7 Test report .....		11
Annex A (informative) Test report .....		12
Bibliography .....		14
