## Soft solder alloys - Chemical compositions and forms

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Chemical composition .....	2
5	Forms of delivery .....	2
6	Sampling and analysis .....	2
7	Marking, labelling and packaging .....	2
chemical compositions according to IEC 61190-1-3 .....		8
Bibliography .....		10
