Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Principle 5

5 Simplified expression of the capture efficiency 5

6 Test method 6
6.1 General procedure 6
6.2 Measurement of the concentration (C3) 8
6.3 Application to a specific group of machines 9

7 Control parameters and influencing factors 9
7.1 Control parameters 9
7.2 Influencing factors on capture efficiency 11

8 Test report 11

Annex A (informative) Simplified calculation of the random component of the uncertainty on C3 (95 %) 13

Annex ZA (informative) !Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC""""" 14

Annex ZB (informative) !Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC""""" 15
