

# DIN EN ISO 13138:2012-04 (E)

## Air quality - Sampling conventions for airborne particle deposition in the human respiratory system (ISO 13138:2012)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
Introduction .....		4
1	Scope .....	5
2	Normative references .....	5
3	Terms and definitions .....	5
4	Principle .....	7
4.1	General .....	7
4.2	Rationale for the early penetration conventions (EN 481 and ISO 7708) .....	8
4.3	Need for particle deposition conventions .....	8
4.4	Intended application .....	8
5	Assumptions and approximations .....	8
6	Deposition sampling conventions .....	9
Annex A (informative) Deposition variation and its correction .....		14
Bibliography .....		20
