Safety information for the content of piping systems and tanks - Part 1: Piping systems

Contents	Page
Foreword	iv
Introduction	v
1 Scope	1
2 Normative references	1
3 Terms and definitions	1
4 General requirements	2
5 Elements of safety information systems for piping	3
5.1 General.....	3
5.2 Colour coding to identify the nature of the content in the piping.....	3
5.3 Content name.....	5
5.4 Flow direction indicators.....	6
5.5 Warning signs and GHS pictograms.....	6
6 Technical and operational information	7
6.1 General.....	7
6.2 Additional safety information.....	8
6.3 Additional technical information.....	8
6.4 Supplementary identification colours.....	8
7 Layout requirements	9
8 Installation of safety information systems for piping	10
9 Maintenance, inspection and revision	11
Annex A (informative) Standard colours and equivalent colour codes	12
Annex B (informative) Observation distance	13
Annex C (informative) Examples of safety information systems	17
Annex D (informative) Firefighting systems	22
Annex E (informative) Maritime piping systems	23
Bibliography	25
