Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 2

4 Planning a SWGS 4

5 Basic principles for the design of SWGS 5

6 Specific requirements for electrically powered components 11

7 Specific requirements for phosphorescent components 15

Annex A (informative) Examples of SWGS layouts 20

Annex B (normative) Measurement of photopic luminance of phosphorescent components in the laboratory 42

Annex C (normative) On-site measurement of luminance performance of phosphorescent components of a SWGS 47
