DIN EN ISO 15027-2:2013-03 (E)

Immersion suits - Part 2: Abandonment suits, requirements including safety (ISO 15027-2:2012)

Contents

Page

Foreword ... 3

Introduction ... 4

1 Scope ... 5

2 Normative references ... 5

3 Terms and definitions ... 6

4 Requirements ... 8
4.1 General ... 8
4.2 Basic health and ergonomic requirements ... 9
4.3 Accessories ... 10
4.4 Buddy lines ... 11
4.5 Conspicuity ... 11
4.6 Foam flotation material ... 13
4.7 Flammability ... 13
4.8 Temperature cycling ... 13
4.9 Leakage ... 13
4.10 Thermal protection in water ... 13
4.11 Performance requirements ... 14
4.12 Requirements on materials, fabrics and components ... 15

5 Marking ... 16

6 Information supplied by the manufacturer ... 17

7 Consumer information at point of sale ... 18
7.1 Data list ... 18
7.2 Consumer information label ... 18

Annex A (informative) **Guidelines for manufacturers, users, regulators and industrial inspectors about immersion suits with respect to the application of thermal protection times relevant to the ISO 15027 series** ... 20

Annex ZA (informative) **Relationship between this European Standard and the Essential Requirements of EU Directive 89/686/EEC** ... 23
