

DIN EN 1176-11:2014-11 (E)

Playground equipment and surfacing - Part 11: Additional specific safety requirements and test methods for spatial network

Contents		Page
Foreword		3
1	Scope	4
2	Normative references	4
3	Terms and definitions	4
4	Safety requirements	5
4.1	Protection against falling in spatial network	5
4.2	Additional requirements for mesh size in 3-dimensional arranged planar nets	6
4.3	Protection against injuries in the falling space	7
4.4	Converging parts	8
5	Test reports	9
6	Marking	9
