DIN EN 14468-1:2015-05 (E)

Table tennis - Part 1: Table tennis tables, functional and safety requirements, test methods

Contents

Page

Foreword 3

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Classification and components 6

5 Functional requirements 9
5.1 Dimensions 9
5.2 Weight 17
5.3 Playing surface 17
5.4 Undercarriage 19
5.5 Horizontal deviation 19
5.6 Residual height reduction 20
5.7 Unfolding of a tabletop of a rollaway table 20
5.8 Additional requirements and recommendations for tables for wheelchair play 20

6 Safety requirements 20
6.1 Table in playing and in playback position 20
6.2 Table in storage position 21
6.3 Locking systems 21
6.4 Functioning of the rolling devices 23
6.5 Construction of the permanent net post 23
6.6 Mobile parts and fixations 23
6.7 Table Type 4 in storage and playback position 23
6.8 Table finish 23
6.9 Additional parts 23

7 Test methods 24
7.1 General 24
7.2 Flatness 24
7.3 Degree of gloss 24
7.4 Ball bounce 24
7.5 Climatic stresses for outdoor tabletops 25
7.6 Horizontal deviation 26
7.7 Table in playing and in playback position 26
7.8 Table of Types 3 to 5 in storage position 27
7.9 Testing of rolling and locking devices 27

8 Environmental aspects 29

9 Information supplied by the manufacturer 30
9.1 General 30
9.2 Assembly instructions 30
9.3 Operating instructions 30

10 Marking 31

Annex A (informative) Use of materials **32**

Annex B (informative) Optional pendulum test **33**

Bibliography **35**
