

DIN EN 14468-1:2015-05 (E)

Table tennis - Part 1: Table tennis tables, functional and safety requirements, test methods

Contents		Page
Foreword		3
1	Scope	5
2	Normative references	5
3	Terms and definitions	5
4	Classification and components	6
5	Functional requirements	9
5.1	Dimensions	9
5.2	Weight	17
5.3	Playing surface	17
5.4	Undercarriage	19
5.5	Horizontal deviation	19
5.6	Residual height reduction	20
5.7	Unfolding of a tabletop of a rollaway table	20
5.8	Additional requirements and recommendations for tables for wheelchair play	20
6	Safety requirements	20
6.1	Table in playing and in playback position	20
6.2	Table in storage position	21
6.3	Locking systems	21
6.4	Functioning of the rolling devices	23
6.5	Construction of the permanent net post	23
6.6	Mobile parts and fixations	23
6.7	Table Type 4 in storage and playback position	23
6.8	Table finish	23
6.9	Additional parts	23
7	Test methods	24
7.1	General	24
7.2	Flatness	24
7.3	Degree of gloss	24
7.4	Ball bounce	24
7.5	Climatic stresses for outdoor tabletops	25
7.6	Horizontal deviation	26
7.7	Table in playing and in playback position	26
7.8	Table of Types 3 to 5 in storage position	27
7.9	Testing of rolling and locking devices	27
8	Environmental aspects	29
9	Information supplied by the manufacturer	30
9.1	General	30
9.2	Assembly instructions	30
9.3	Operating instructions	30
10	Marking	31

Annex A (informative) Use of materials	32
Annex B (informative) Optional pendulum test	33
Bibliography	35
