DIN EN 14420-6:2013-09 (E)

Hose fittings with clamp units - Part 6: TW tank truck couplings

Contents

Page

Foreword 3

1 Scope 5

2 Normative references 5

3 Terms and definitions 6

4 Fitting combinations 6

5 Dimensions, designations 6
5.1 Hose fittings with TW couplings 6
5.2 Male coupling (type VK) 10
5.3 Female coupling (type MK) 15
5.4 Dust cap (type MB) 23
5.5 Dust plug (type VB) 27

6 Materials 31
6.1 General 31
6.2 Hose tail types MKST and VKST 31
6.3 Protecting rings of hose tail type MKST and VKST 31
6.4 Thread gasket of male coupling type VK 32
6.5 Fastening component of female coupling type MK 32
6.6 Main gasket of female coupling type MK 32

7 Design 32

8 Fitting of hose couplings 33

9 Marking 33

10 Type testing and quality control 33

Annex A (normative) Gauges for TW tank truck couplings 34

A.1 General 34
A.2 Design; designation, dimensions and materials 34
A.3 Marking 49
