

DIN EN 14420-6:2013-09 (E)

Hose fittings with clamp units - Part 6: TW tank truck couplings

Contents		Page
Foreword		3
1	Scope	5
2	Normative references	5
3	Terms and definitions	6
4	Fitting combinations	6
5	Dimensions, designations	6
5.1	Hose fittings with TW couplings	6
5.2	Male coupling (type VK)	10
5.3	Female coupling (type MK)	15
5.4	Dust cap (type MB)	23
5.5	Dust plug (type VB)	27
6	Materials	31
6.1	General	31
6.2	Hose tail types MKST and VKST	31
6.3	Protecting rings of hose tail type MKST and VKST	31
6.4	Thread gasket of male coupling type VK	32
6.5	Fastening component of female coupling type MK	32
6.6	Main gasket of female coupling type MK	32
7	Design	32
8	Fitting of hose couplings	33
9	Marking	33
10	Type testing and quality control	33
Annex A (normative) Gauges for TW tank truck couplings		34
A.1	General	34
A.2	Design; designation, dimensions and materials	34
A.3	Marking	49
